

With today's technological advancements in design procedures and computerized technology, Aftermarket parts are manufactured and engineered to the highest quality standards. High tech laser welding methods and metallurgical improvements produce a part that will endure wear and sustainability. CJ Equipment suppliers and manufacturers are chosen from among the best in the industry. They are innovators in the field and have been around for years. Our 6 month factory warranty gives you the confidence that you are buying a part that will endure, even under the most severe conditions. CJ has over 25 years experience selling heavy equipment parts for Caterpillar® We also carry a large inventory of Caterpillar parts, but if we don't have the parts you are looking for, we can usually get them within 1 to 2 days.

Authorized Dealer for

PARTS AVAILABLE FOR

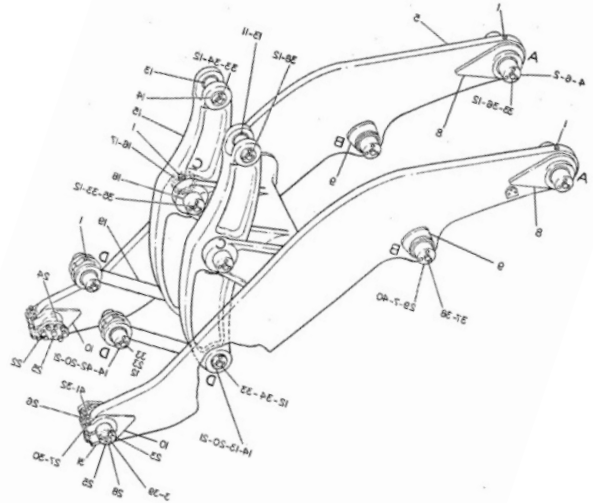

- Brakes and Friction
- Cooling Systems
- Diesel Engines
- Dozer C-Frames
- Drive Shafts and Yokes
- Electrical
- Exhaust Systems
- Final Drives
- Hydraulic Cylinders
- Hydraulic Pumps and Valves
- Planetaries
- Steering Clutches
- Swing Gear Boxes
- Torque Converters
- Transmissions
- and more

Bucket control parts available for the following models

920 920C
 922 922A/B/G
 924 924F/G/GII/GZ/H/HZ/K
 926 926E
 928 928F/G/H/GZ/HZ
 930 930G/G/H/K/R
 936 936E/F
 938 938F/FII/G/GII/H
 944 944A
 950 950A/B/C/E/F/FI/FII/G/GII/H/K
 960 960F
 962 962G/GII/H
 966 966A/B/C/D/E/F/FI/FII/G/GI/GII/H/K/R
 970F
 972 972G/GII/H/K
 980 980B/C/F/FII/G/GII/H/K
 988 988A/B/C/F/FII/G/GII/H
 990 990II/H
 992 992C/D/G/K
 993K
 994 994D/F

IT12 IT12B/F
 IT14 IT14B/G/GII
 IT18 IT18B/F
 IT24 IT24F
 IT28 IT28B/F/G
 IT38 IT38F/G/GII/H
 IT62 IT62G/GII/H

Our implement or bucket control parts are manufactured using the most modern systems of design, production, heat treatment and quality control to give lasting results in the field. Providing the correct through hardness of those surfaces subject to wear, is key to providing abrasion resistance and shock load impact. CGR. Manufacturers of Caterpillar parts since 1962.

- Arms
- Booms
- Bushings
- Collets
- Cylinders
- Grease Seals
- Hardware
- Levers
- Link Assemblies
- Pins
- Seal Kits
